Social Action (Bro. Finney, Chair):

We applied in partnership with the AKA local chapter and other nonprofits unsuccessfully for funds to support specially disadvantaged African American men and women in Forsyth County impacted by COVID-19. The activities included community education meetings, discussions on social justice and trauma related to current events, etc.

The Department of HHS funded (4) organizations to provide those services through a very competitive grant process with a two week turn around.

Community Service (Bro. McQueen, Chair):

Ronald McDonald House

Bro. McQueen spoke with Robert Lemons the volunteer coordinator for the RMH. Volunteer services have been shutdown since March and he does not anticipate a restart until at least 6 weeks after NC has gone to phase 3.

Adopt A Highway

Bro. Cordier reaching out to AAH organization to get an update.

March of Dimes

Reaching out to Bro. Carson to understand latest details.

NPHC

Meetings are scheduled for the 1st Tuesday of each month at 7PM. Meetings are virtual for now but they anticipate possibly returning to in person meetings at the NAACP building soon.

MLK Breakfast

Will continue reaching out to Bro. Wall to understand latest details.

Graveyard Cleanup

Scheduled for MLK Day. Asked Bro Roseboro if the day could be changed as brothers have to divide their time between the MLK breakfast and the cleanup. He told me that brothers can go another day if we like but the major clean up event has always been intended to be a MLK day of service event and that will not change anytime soon.

Crisis Control Ministry

Bro. Davis has brought to the table the idea of having a food drive for Crisis Control Ministry. The community service committee is tasked with discussing this idea and implementation for this charity.

Voteless People is a Hopeless People (Bro. Terry, Chair)

9/10/2020

Political Action Committee

Have asked all brothers to do the following:

- Check their own voter status
- Check to see if various legislative districts have changed
- Complete the census
- Urge everyone on their regular contact list to do the three things above

Held virtual event 8/27/2020 with college Brothers titled: Voting: Why Should I Bother

Have submitted two applications: one for the Census and one for Democracy NC. Will be seeking volunteers to put out door hangers in census tracts with low response rates. Will seek volunteers to man polling places for Democracy NC's voter protection program.

Will need volunteers to assist with census activities:

4-6 Brothers are needed at each event to assist with traffic flow and unloading of food boxes from pallets provided by Second Harvest Food Bank.

2020 Census Community Support Day

The Young Professionals of the Winston-Salem Urban League, and the Young Adult Committee of the NAACP are promoting the event to Get Out the Black & Brown Millennial Vote. The request is \$25 due by the 15th.

Poll workers still needed. Apply: www.co.forsyth.nc.us/elections/pollWorkerApplication.aspx

Brotherhood Relations Report
Brother Stanley Mitchell
Thursday, September 10, 2020

The Brothers Keeper Committee consists of Bros Howard Lowe Roseboro and me.

We continue to monthly care for our Widows.

We are looking to start our Monthly luncheon with Alpha in October. We will need Brothers to volunteer at their own cost. We can provide more specifics.

We are looking to honor our 25- and 50-year Brothers in early December with pins from the Fraternity. We would like the Chapter to pay for all Brothers who have attained that status along with having had 7 years of activity with the Chapter.

We received two beautiful cards. One from John Williams as he recovered from a hospital visit along with a card of thanks from the Burney family.

Lastly working with a young Brother to develop some form action plan to help us take care of our health by being accountable. The young Brother assures me he will have an idea before our next Executive Board meeting.

Respectfully Submitted.
Brother Stanley Mitchell
